

# ANOUVONG

## **Timeless Laos, Intimately Revealed**

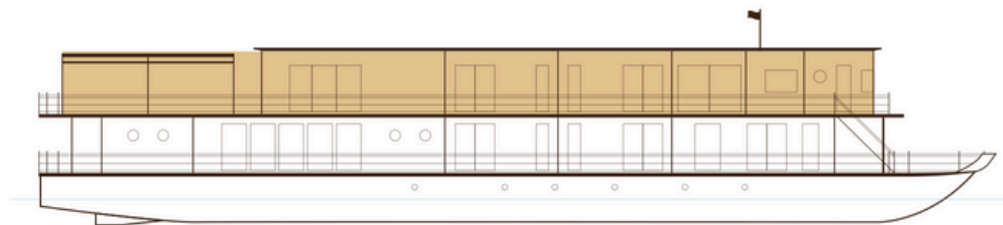

Anouvong is a graceful homage to Laos's last king – a vessel where quiet elegance meets deep cultural soul. With only 10 cabins, this boutique ship brings rare intimacy to the untamed beauty of the upper Mekong.

Inspired by Laotian tradition and French-colonial finesse, every detail on board evokes warmth and heritage. From the serene terrace deck to the light-filled lounge, spaces invite calm reflection as jungle landscapes drift by.

Sailing between Huay Xai, Luang Prabang, and Vientiane, the journey uncovers sacred caves, remote villages, and timeless rituals – an unhurried exploration of Laos in all its purity.

A voyage of stillness, soul, and subtle luxury.
