

VIOLET

An Icon of Timeless Elegance

Violet is a refined expression of French-Indochinese artistry and romance a small, exquisite vessel that brings intimacy and elegance to the legendary waters of Halong Bay. With just six individually designed suites, this boutique cruise ship offers a deeply personal atmosphere, ideal for couples or private charters.

Inside, Violet reveals a world of soft silks, polished wood, and curated antiques that blend seamlessly into her Art Deco-inspired design. Each suite is a private retreat, complete with a spacious balcony and panoramic views of Halong Bay's iconic limestone formations. From fine dining in an intimate setting to personalized excursions and spa indulgence on deck, every moment aboard Violet is designed to be graceful, quiet, and unforgettable. She is the ideal choice for travelers who value style, serenity, and a sense of timeless beauty.
